**AND**

- **"A" or "B" in corresponding subject area (most recent grade)**
- 

- **97% on an aptitude test (test scores not to exceed 2 years)  
Classroom performance/grades may not mirror this potential**
- 

- **Highest EOG score in student's ethnic group in the current classroom**

**OR**

- **Highest grade in student's ethnic group in the current class**
- 

- **Achievement at a substantially high level of performance in ways other than through the classroom or standardized testing (demonstrated through products, contests, competitions, etc.)**
- 

- **High performance in the classroom, yet has language patterns, experiences, or cultural differences that might make it difficult to demonstrate potential through standardized testing.**

**\*If a student does not have screening criteria available in his records and has been referred for screening, the AIG Needs Determination Team collects any available information about the student to use in screening. If there is evidence that a student has been identified gifted in another school system, but there is not sufficient protocol needed for automatic transfer, the student will be tested.**
